

OHL-ST Building Product Information Sheet

Version 1.0 – Issued 11/06/24

Product

Product name	Sound Trap
Product type	Louvre Sound Trap
Product Identifiers	OHL-ST

Product description and intended use

- The OHL-ST is a modular sound trap that can be added to the rear of louvres to increase their acoustic properties.

Relevant NZBC clauses

- Clause B2 Durability: Performance B2.3.1 (c) 5 Years
- Clause E2 External Moisture: Performance E2.3.2, E2.3.3
- Clause H1 Energy Efficiency: Performance H1.3.6

Contributions to compliance with NZBC

- **B2:** The lifespan of the OHL-ST will vary based on the environment it is installed in. For a standard HVAC installation, the OHL-ST would provide a durability of a minimum of 5 years. Holyoake provides a 5-year warranty with all their outdoor louvres. Excessively corrosive or harmful environments or exposure to fire, heat or water will reduce the lifespan of the OHL-ST.
- **E2:** Holyoake offer untested installation details to E2 which include the use of head and sill flashings. Installation must consider limiting water ingress as much as possible.
- **H1:** When installed in a commercial building and the primary louvre is used as an intake, the louvre and OHL-ST combination must be designed to have a maximum pressure drop of 50 Pa.

Conditions and limitations of use

- The OHL-ST should be specified by a suitably qualified mechanical based on the required acoustic performance.
- The OHL-ST should be installed by a suitably qualified and trained tradesperson.

Warnings and bans

The OHL-ST is **not** subject to a warning or ban under section 26 of the Building Act 2004.

Installation details and product datasheet

The OHL-ST product datasheet and installation details for multiple different wall or floor construction types can be found on our [website](#).

Maintenance requirements

There are no specific maintenance requirements other than ensuring that the sound traps are free of obstructions or debris.

Manufacturer details

Manufacture location	New Zealand
Manufacturer legal and trading name	Price Holyoake (NZ) Ltd T/A Holyoake Air Management Solutions by Price
Manufacturer NZBN	9429048831215
Manufacturer website	Holyoakebyprice.nz
Auckland address for service	67 Greenmount Drive, East Tamaki, Auckland 2013
Auckland office email	Auckland@holyoake.com
Auckland office phone number	(09) 274 4144
Wellington address for service	89 Main Road, Tawa, Wellington 5028
Wellington office email	Wellington@holyoake.com
Wellington office phone number	(04) 232 2722
Christchurch address for service	27 Waller Terrace, Addington, Christchurch 8011
Christchurch office email	Christchurch@holyoake.com
Christchurch office phone number	(03) 366 6545

Declaration

Price Holyoake (NZ) Ltd has provided this declaration to satisfy the provisions of Schedule 1(d) of the Building (Building Product Information Requirements) Regulations 2022.
